SPECIAL NOTICES.

The following from one of our Agents, who is too well known in his own State to need endorsing by us, will be read with interest by Dyspeptics:— LEBANON, N. H., Feb. 29, 1856.

MESPAS SETH W. FOWLE & Co.,-Gentlemen : Please send by express, another Box of Oxygenated Billers, as we are nearly out. These Bitters have recently been used with These Bitters have recently been used with unusual benefit by a member of my family, who has derived more advantage from it than from all other medicines, which fact being known, greatly influences the demand for the Bitters. There is no profession, in which a reputation for truth and sincerity is more desirable, than in that of an Apothecary; and for this reason, I have always been careful in recommending remedies. But I feel perfectly safe in advising all who are troubled with Dyspepsia, to resort at once to the Oxygenated Bitters:

extracts Teeth without pain.

B. H. KINGSLEY is prepared in these last days, to extract Teeth in the manner as above described by the Ancient Roman.

He applies to the gums around the tooth, a fluid, prepared by himself which so benumbs them, as to remove all feeling for the moment, and during that moment the Tooth can be extracted without pain. The patient will have, no other sensation than a wrench in the Alveola Ridge, unless there are deep ulcers at the roots of the tooth. Those who desire the removal of decayed teeth preparatory to the insertion of new setts will do well to call and try this new, and pain saving process.

ONE of the lest Purgative and Liver Medicines now before the public, namely. Dr. Sanford's invigorator or Liver Bemedy, that acts as a Cothartic, easier, infider and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy acting first on the Larer to eject its morbid matter, then on the stomach and howels to carry off that matter, thus accomplishing two purposes effectually without any of the pointal feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it and when tak in daily in moderate doses will strengthen and build it up with unusual rapidity.

strengthen and build it up with unusual rapidity.

Dr. Sambrd's Invigorator is compounded entirely from new articles of medicine, namely, Gums.

Some idea of the strength of these gums may be formed when it is known that one bottle of the Invigorator contains as much strength as one hundred doses of Calomel, without any of its deleterious effects.

Though possessing rare medical powers, there Gums have been but little known to physicians, and never used in their prescritions until used in the form of the Invigirator by me, with such unprecedented success as to induce the proprietor to offer it as a family medicine tried and known in its effects. It has mely ever failed to cure Liver Ccmp aints in their worst forms.

Indigestion being caused by a deranged Liver is cured when the Liver is excited to action.

Jaundice is caused by an improper action of the Liver, and as a proof that the invigorator relieves this disease let any one troubled with Jaundice take the invigorator regularly one week, and their skin will begin to

rator relieves this disease let any one troubled with Jaundice take the invigorator regularly one week, and their skin will begin to assume its original color.

Costiveness can be permanently cured by the Invigorator. Take it in amall doses on retiring, and it assists nature in her operations. By gradually diminishing the dose, the bowels are lett in a healthy and active state, and work as regularly as clock work. Sick Headache is very soon relieved by taking a donlie dose of the Invigorator, which corrects all acidity and sourness of the stomach.

For an over-loaded stomach it has no equal, as it relieves all oppressive or uneasy reeling after eating heartily. For a family medicine generally, all who use it speak in the highest terms.

Dr. Sanford's Invigorator came to us recommended as a cure for Liver Complaints, and all diseases arising from a Diseased Liver. The testimonials of so many of our Physicians in its favor, induced us to try it, and now conviction is certain that it is one of the greatest blessings ever given to Dyspeptics, for it made a complete cure before the first bottle was taken and now we can eat anything edible without trouble, while before nothing but the lightest food would digest, and often that gave pain. Now what we want to say to all our readers is, if Liver Complaint or Dyspepsia trouble you, do not fail to try this the greatest remedy in the wor'd.—State Fact.

There has been tried in our family no remedy which has met with such unbounded success in the cure of diseases implient to children, as Dr. Sanford's Invigorator; nor is it alone for diseases of children that we use it; for if acts as a Cathartic as mildy and gently, and seems to renovate the system so thoroughly that we think we are doing a service to all in advising them when they need medicine to try this remedy. There are oases that have come under our notice where great benefit has been received in diseases of the Liver, Stomach and Bowels, where all other remedies failed to give relief. It has be time to useful in our
